

DEVELOPMENT

GROUND UP / BUILD-TO-SUIT DEVELOPMENT

From identifying and acquiring a vacant piece of land, to developing the adjacent abandoned home into parking, our team is able to help you along the way with:

- Site Selection • Site layout • Project Design • Project Budget • Construction Management

OWNERS REPRESENTATION

Our team is an extension of your staff, providing over a combined 50 years of real estate experience, value, and peace of mind. So as you focus on changing business needs, we will focus on the real estate to make you successful

VALUE ADD REDEVELOPMENT

We are financially well positioned and able to move quickly to purchase under-utilized assets. As we look for redevelopment opportunities, we focus on Office and Industrial buildings.
